

ROSEVILLE PARKINSON'S SUPPORT GROUP

June 2009 MEETING MINUTES

The June meeting was an open meeting so that members could bring up and discuss anything that was of interest and/or concern to them.

The first item of business was a demonstration and explanation of the medical ID wristband that the RPSG purchased for the benefit of our group. The wristband has a "flash card" that can be programmed with all your medical information that can be easily accessed by healthcare professionals in case of emergency. The wristband can be obtained from Hap for a \$20 donation.

Stormy provided a brief update on the PANC's upcoming fund raising event. Stormy announced that the PANC will hold its annual Auction for Action, "A Cruise for a Cure", on September 12th from 5pm to 9pm.

Tara made a short presentation on the benefits of being a member of the PANC and encouraged everyone to join: Membership forms were handed out. It was noted that most of those in attendance are members.

Tara reminded everyone that the RPSG will have a booth at the City of Roseville's "Downtown Tuesday Night" event on 6/2 and 6/23. The purpose of the booth is to educate the public about Parkinson's disease. Members were invited to stop by and visit the booth.

Tara announced that the John Argue Parkinson's exercise class will be held at the Sun Oaks Assisted Living Facility located on Canelo Hills Drive in Citrus Heights. Sun Oaks has donated the space and classes will be held every Wednesday at 12:30.

It was announced that the first annual RPSG picnic will be held June 6th at John and Linda's home.

Finally, members were reminded that the annual PANC living with PD seminar will be held Saturday June 27th at the Scottish Rite Center. Guest speakers will be Dr. Eric Hassid, Dr. Graham Alac Glass and John Argue.
